

# Privacy Policy

## Introduction

This document explains how HeavyBoat collects, processes, stores and/or shares any personal data and/or information from users (jointly referred to as “Information”). By accessing and/or using the Services you consent the collection, transfer, manipulation, storage, disclosure and other uses of your information as described in this Privacy Policy. If you have any concerns about providing data, or having it used in any manner permitted in this Privacy Policy, you should not use the Services. As set out in the terms and conditions relating the Services (the “Terms”), you must be at least at legal age to access and/or use the Services.

## The Information collected

HeavyBoat may collect and process the following data about you: details of your use of the Services and the resources that you access; the correspondence between you and HeavyBoat and any interactions, or with other users on the Service, the channels and/or any social media related; from third parties who hold data about you and who agree to share this data with us; and information collected via cookies and other similar technologies and/or other mechanisms, as explained further below.

I. Cookies: HeavyBoat uses cookies and other similar technologies in the Services. These technologies operate either by placing a small file which stores some information on your mobile device; and/or by accessing information on your device. HeavyBoat uses cookies and similar technologies to recognize you and your device, for example by identifying your IP address; to allow payment processes when you submit payment instructions; to enable HeavyBoat and third parties to provide you with more customized services; and to collect data such as your device's model, operating system and screen size, other applications installed on your device, and information about how you use the Services. By accessing and/or using the Services you consent the use of cookies and similar technologies in accordance with this Privacy Policy. You can disable cookies through your mobile device browser settings but some features of the Services may not function properly. Alternatively, if you do not wish such data collection as described in this section, you should not use the Services.

II. Ads: Advertisers on mobile devices sometimes use advertising identifiers to enable and optimize their advertising. These identifiers are non-permanent, non-personal, device identifiers. HeavyBoat may use your device's advertising identifier and other information associated with it, to deliver ads that relate to your interests and to improve and measure the effectiveness of ad campaigns.

III. Payment information: If you make a purchase in the Services, HeavyBoat may collect the billing and financial information necessary to process the charges; and/or do so on behalf of the relevant payment service providers. Purchases of third party services are subject to the policies applicable to such provider.

IV. Third-party services: HeavyBoat uses a variety of third-party services to help its provision of the Services, such as hosting and other services. These third-party service providers may collect information sent by your browser as part of a web page request, such as cookies or your IP address. Also, third-party ad partners may share information to measure ad quality and tailor ads, for example to display ads about things you may have already shown interest in.

## **Interaction with social networks and/or platforms**

You may allow the Services to interact with Twitter, which will provide data about you to HeavyBoat. Since any others applications or websites different than the Services are owned by a third party, you must ensure that you read their terms of service and the applicable privacy policies. You understand that when you allow the Services to interact with any third party social network and/or platform, HeavyBoat may share data about you with your contacts and other users of the Services and vice versa. This Data may include your name, profile picture, activity status,

and information related to your use of the Services. You can change this by adjusting your settings with that third party provider.

## **Term**

HeavyBoat may retain the Information for as long as is necessary to fulfill the purposes for which it was collected or as needed to provide the Services, even after you have discontinued or deleted any account, or after the end of the provision of the Services, if retention of such Information is reasonably necessary to comply with legal obligations, meet regulatory requirements, resolve disputes between users, prevent fraud, or any other use.

## **Protection of Information**

In the Services you may find links to third party websites. You understand that when you click on these links any data which you provide afterwards is subject to that third party's privacy policy and not to HeavyBoat's. Consequently, HeavyBoat takes no responsibility for the content, safety or security of any third party website. The Services are not directed to persons under legal age. HeavyBoat does not knowingly collect any Information from children under legal age. If you become aware that a child under legal age has provided with personal information, steps will be taken to remove such information and terminate such account.

Notwithstanding anything to the contrary in this Policy, HeavyBoat may preserve or disclose your information to the extent reasonably necessary to comply with a law, regulation or legal request; to protect the safety of any person; to address fraud, security or technical issues; or to protect HeavyBoat's rights or property. However, nothing in this Privacy Policy is intended to limit any legal defenses or objections that you may have to a third party's, including a government's request to disclose your information. HeavyBoat wants to make sure that your Information is accurate and up to date.

Information that you have shared via the Services on any social network or third party platform may not be amended or deleted where it is in the control of a third party network and/or platform.

If any court or other competent authority finds any of this Privacy Policy to be invalid or unenforceable, the other terms of this Privacy Policy will not be affected. This Privacy Policy is governed by and interpreted in accordance with the laws of Argentina.
